CROWN BEEF

PREMIUM QUALITY

The latest product from Polfood is Crown Beef bacon. This brand new, high-quality bacon will win over gourmets who are looking for an alternative to conventional pork bacon, as well as those with an eye for innovation.

Whether crispy fried or natural, Crown Beef bacon is a delicious treat for every meat lover, and is available in a halal variant. It can be prepared without additional oil in the frying pan.

CROWN BEEF

PREMIUM QUALITY

Our Crown Beef bacon is the perfect addition to any breakfast, and completes every burger with its juicy flavorsomeness. Enjoy this food newcomer as a piquant addition for any occasion!

100%
HALAL

This savory beef bacon also combines perfectly with seasonal, fresh asparagus and young potatoes, partnering beautifully with fresh ingredients of all kinds.

Aesthetically, the crispy bacon is a highlight on your plate, or in your glass! The savory slices will delight every guest and shine in any dish.

Our beef bacon is also available in cubes (5x5 and 10x10 mm), which are in no way inferior to the sliced version. Small but succulent, they complete dishes without adding clutter.

CROWN BEEF

PREMIUM QUALITY

Let smoked beef bacon win you over as a versatile ingredient in international cuisines, for example on French tarte flambé or Polish dumplings.

CROWN BEEF

PREMIUM QUALITY

Of course, the delicious Crown Beef Bacon also finds its place in German dishes. The smoky notes give simple recipes like fried potatoes an unrivalled sophistication.

CROWN BEEF

PREMIUM QUALITY

This all-rounder bacon is now available exclusively from Polfood in various packaging units, and as a halal variant. Crown Beef Bacon will win you over as a new taste experience and alternative to traditional pork bacon.
